The Los Gatos High School New Millennium Foundation (NMF) will hold its Ninth Annual Auction Fundraiser, *"La Dolce Vita: An Italian Extravaganza,"* on Saturday, September 26, 2009. Plans are underway for an exciting evening filled with fun and fundraising. These annual events directly benefit the more than 1,700 students at Los Gatos High School through the NMF teacher grant request program. Proceeds from the auctions have equipped Los Gatos High School with the most current technology and teaching tools that otherwise would not be available in our classrooms.

This year, more than ever, we need your help. Due to cuts in the budget from the state of California, public schools are losing funds to purchase the bare necessities let alone the extras that enhance classroom learning. In order to maintain the quality of education at Los Gatos High School, it is essential that we continue to get support from our local businesses and the community at large. The benefits to our donors are great as well. You will get your name out to the Los Gatos High School Community through recognition in our auction catalog, in mailings to our school families, on our website, and in a thank you ad in the *Los Gatos Weekly Times* after the auction event.

How can you help support Los Gatos High School? It's as simple as donating an item or a gift certificate for the auction. The LGHS New Millennium Foundation is a 501(C)3 organization, and all donations are tax deductible to the full extent of the law. The Federal Tax ID number for the NMF is 68-0486391.

We are enclosing an auction donation form for your convenience. Please complete and return the form along with your donation to the LGHS New Millennium Foundation no later than July 15, 2009. We would also be happy to stop by and pick up your donation. If you would like us to pick up your donation or you have additional questions, please contact Martha Miroyan at 408-838-2720 or via e-mail at mmiroyan@aol.com.

Thank you once again for your support. Together we are truly making a difference in the education of the students at Los Gatos High School.

Sincerely,

Martha Miroyan
